GO-TO GUIDES

Go-To Guides

We know that **all** children love to read books if they **grab** their attention and **fire** their **imagination**s. That is why we have created Go-To Guides, a fun and fact-filled range of one-stop guides to the fascinating world around us.

We have used great non-fiction text and blended it with cool and current design to create a complete library of information books that kids will love to read, both at school and at home.

Our Go-To Guides fit any market. They make great resources for school libraries and classrooms and are ideal at-home reads.

At the back of this catalogue you will find a list of all our product. We hope you like it!

GO-TO GUIDES - THE TOPICS

Go-To Guides focus on curriculum-linked topics with a high-interest approach:

SPACE

PLANET EARTH

AMAZING ANIMALS

ANCIENT WORLDS

NATURAL DISASTERS

THE HUMAN BODY

GO-TO GUIDES - THE LONG AND THE SHORT

Go-To Guides are available as both 32-page, multi-book sets or as encyclopedias of 160 pages upwards.

GO-TO GUIDES - THE FEATURES

- **Go-To Fact:** fact boxes provide additional high-interest information
- **Go-To Quiz:** quiz challenges invite readers to answer fun questions about each topic. Answers to the quiz challenges are found at the back of each book
- **Go-To Try It Out!:** fun, simple activities that readers can try to help them learn more about each topic

SPACE
